

Robert Louis Stevenson (Annotated) (Paperback)

Filesize: 5.5 MB

Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Kian Harber)

ROBERT LOUIS STEVENSON (ANNOTATED) (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Annotated. Language: English . Brand New Book ***** Print on Demand *****. IN this brief study of Stevenson I propose to follow a somewhat unusual course; or to sketch what may be considered a rather eccentric outline. It can only be justified in practice; and I have a healthy fear that my practice will not justify it. Nevertheless, I have not adopted it without considerable thought, and even doubt, about the best way of dealing with a real and practical problem. So before it collapses completely in practice, I will give myself the triumph and the joy of justifying it in principle. The difficulty arises thus. In the great days of Stevenson critics had begun to be ashamed of being critics, and of giving to their ancient function the name of criticism. It was the fashion to publish a book that was a bundle of reviews and to call it Appreciations. But the world advances; and if that sort of book is published now, it might well bear the general title of Depreciations. Stevenson has suffered more than most from this new fashion of minimising and finding fault; and some energetic and successful writers have thrown themselves into the business almost with the eagerness of stockbrokers, bent on making a slump instead of a boom in Stevenson Stock. It may be questioned whether we need welcome the bear any more than the bull in the china-shop of elegant English letters. Others seem to make quite a hobby of proving a particular writer to be overrated. They write long and laborious articles, full of biographical detail and bitter commentary, in order to show that the subject is unworthy of attention; and write pages upon Stevenson to prove that he is not...
