STICKS AND STONES

Hardback. Book Condition: New. Not Signed; The new rules of online reputation building--from PR guru Larry Weber In today's wired world, business reputations are built--and destroyed--online. Social networking, citizen journalism, and instant information have made the consequences of a bad reputation even more devastating than ever. Today, a good reputation online is a company's most valuable corporate asset. Sticks and Stones shows business leaders how to build and maintain reputation equity in the new online environment. Reputation equity is the...

Reviews

If you need adding benefit, a must buy book. I have read through and i also am confident that i will likely to study again once again in the future. I am very happy to tell you that here is the best pdf i have read through in my personal existence and may be he finest ebook for actually.

-- **Mabelle Tillman**

This book is definitely not effortless to begin on reading through but extremely fun to read. Sure, it can be enjoy, continue to an amazing and interesting literature. I realized this book from my dad and i recommended this pdf to understand.
