Lucy Roberts fell victim to the curse of Mad jack Halloran - it was not fun. Having fallen victim to the curse of Mad Jack, John Jeffrey Halloran is not exactly flavour of the month with Lucy Roberts. So, when the ghost of Mad Jack Halloran appears in her bedroom one night seeking her help, she has little desire to help him. However, to gain redemption and be reunited with his wife, the spirits that control the afterlife have insisted that Jack Halloran has to do Lucy Roberts some form of service to make up for cursing her. Could she help him, will she help him? What will she do? Will a favour from the pirate spectre help Lucy or will it turn her life into total chaos? And what kind of good turn gets a hanged pirate off the hook with the spirits that control the afterlife? The Ghost of Mad Jack Halloran is the second of the Mad Jack trilogy.
