Filesize: 4.89 MB

Reviews

This created publication is wonderful. This can be for those who statte that there had not been a worth looking at. Your lifestyle period will probably be transform when you comprehensive looking at this book.
(Chelsey Nicolas)

INTEGRATED MODULAR TREATMENT FOR BORDERLINE PERSONALITY DISORDER: A PRACTICAL GUIDE TO COMBINING EFFECTIVE TREATMENT METHODS

[DOWNLOAD](#)

Cambridge University Press. Paperback. Condition: New. 316 pages. Dimensions: 9.4in. x 6.2in. x 0.8in. This clinical guide describes a different way to treat borderline personality disorder. Rather than using the currently available therapies, the author presents a trans-theoretical approach that combines the essential elements of all effective treatments. The book offers a framework for understanding the nature and origins of borderline personality disorder that is used to define treatment targets and strategies. Building on this foundation, systems for organizing treatment are presented around change mechanisms common to all effective therapies. Interventions are presented in modules, allowing therapists to select treatment according to the needs of patients. Treatment is explained by dividing therapy into phases, each addressing different problems. Methods are described to promote engagement, manage suicidality, treat crises, improve emotional regulation, restructure maladaptive interpersonal behaviours, construct a new sense of self and identity, and build a life worth living. The volume will interest mental health professionals from all disciplines and different levels of expertise. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
