Miracle is a book, that is based on a series of dreams that I had. As it is fiction, the theme of the book is this; what would life look like and sound like if real Spiritual revival was to hit. Revival has always been a big part of what we call Church, and I have been told, that Revival can only happen at Church, but that is not true, real revival can happen anywhere. This is not a very spirit based book, even though, it does get very spiritual at the end, there are a lot of factors that take place in this writing, some of them are, redemption, forgiveness, and healing, even resurrection. But it was written not as a ministerial tool, but as a fun short read, as I have cut out all of the useless stuff that makes a book really, really long. To make the story better, you could use your imagination. But in theory, this is written just for fun, it is not meant to point fingers at anyone, nor is it meant to say anything about anyone, which is why there is not a color or a creed used on most of the people in the book, there is color used, but, the other people in the book could be from anywhere walk of life.
