Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Report of the Conservation Commission of Maryland for 1908-1909 To His Excellency, Austin L. Crothers, Governor of Maryland, Sir: The Maryland Conservation Commission has the honor to present herewith its first report. It is impossible for the Commission to give more than a brief account of the great natural resources of the State and to indicate those lines of action which it believes should be undertaken for their most complete utilization and conservation. The Commission has had to depend for its facts very largely on the scientific bureaus maintained by the State, particularly on the State Geological Survey, the State Agricultural Experiment Station, the State Board of Forestry, the State Shell Fish Commission, the State Weather Service and the State Board of Health. These organizations have been for many years accumulating valuable data regarding the State s developed and undeveloped wealth and it is important for the future progress of the State that their work should be continued and enlarged. The Commission particularly recommends that the State make provision for the study of the problem...
