## Standardized Evaluation in Clinical Practice (Paperback)

By -

American Psychiatric Association Publishing, United States, 2003. Paperback. Condition: New. Language: English . Brand New Book. In clinical settings clinicians continue to underutilize interviews and rating scales because their benefits are underappreciated and their use is perceived as too costly and time consuming. Augmenting the broad information contained in the APA's Handbook of Psychiatric Measures, this in-depth guide examines the real-world issues involved in implementing measures in actual clinical settings. This book  $\hat{A}$  Asserts that the use of structured diagnostic interviews in clinical settings is justified, suggesting that it would be most cost-effective to target research assessment toward those groups most difficult to evaluate and most likely to be misdiagnosed, especially those whose misdiagnosis leads to consumption of a greater-than-expected amount of treatment resources $\hat{A}$  Focuses on the underrecognition and underreporting of diagnostic comorbidity, discussing the daunting practical issues of using comprehensive structured interviews and suggesting instead that a self-administered questionnaire be used to screen for the most common DSM-IV Axis I disorders $\hat{A}$  Considers the use of structured interviews-administered by either lay interviewers or by computer-in the diagnostic assessment of children and adolescents, making a case that using the research model (i.e., reliable measures that can be given to large...
