For many days a group of people prayed fervently asking the Lord to reveal the truth about his return on the clouds and one day while walking to the town this picture on the cover was taken by a colleague proved the truth that He had already return on the clouds. If the Kingdom of God teachings taught by Jesus unto the disciples for forty days confirmed in the forth verse of Acts one that he had spoken the words that John baptized with water but he shall baptize the nations with the Holy Spirit referring to the truth that it shall occur right after he ascended to the Father, where did the serpent sneaked into that doctrines that teach the generations after the death of the last disciple that we must wait for him to return on the clouds some day in the future, or did the serpent furnished another kind of doctrine not complying to the Kingdom doctrines of Jesus Christ. When we really understand the truths about it our whole attitude towards life will change dramatically. After three years of exhibiting the way of wisdom, understanding, knowledge and counseling in the Word with power yet with humility, this walking, talking Word was nailed to the cross by the blinded ones who could not or would not even try to obtain the depths of the hidden secrets within the rich treasures and of the infinite Word, rather kept them busy with feeble natural knowledge of pros and cons and dos and donts and stone slinging. This item ships from La Vergne, TN. Paperback.
