

Safeguarding Children and Young People: A Guide for Nurses and Midwives

By Catherine Powell

Open University Press. Paperback. Book Condition: new. BRAND NEW, Safeguarding Children and Young People: A Guide for Nurses and Midwives, Catherine Powell, "This book should be available in every ward, clinic and department. This book is comprehensive and, that rare thing in nursing literature, scholarly and authoritative. Reading this book should arm nurses with the understanding to effectively do their duty and safeguard children." Paediatric Nursing "This text will be particularly useful as a source of reference for all practitioners. It is logical, organised, comprehensive and accessible. If students wish to purchase one book - this would be a sound choice." Jan Nelmes, University of Brighton, UK "I consider this a valuable book for all practitioners. While the author makes clear her intended audience, I think that a book of this quality would benefit a broader readership. Community Practitioner Magazine "Safeguarding Children and Young People, a Guide for Nurses and Midwives' is an excellent book which I would have no hesitation in recommending to nursing and midwifery colleagues. It is both thought provoking and informative, providing what I consider to be a useful reference which can be utilised to help staff understand more clearly (and thus respond more confidently to) some of the..
