Reviews

This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Miss Celia Volkman)

STEALTH: A DIVING UNIVERSE NOVELLA

DOWNLOAD

Wmg Publishing, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Stealth tech: a lost science everyone wants to reclaim. The woman who helped Boss dive the Dignity Vessel, known then as Squishy, claims a long and storied history with stealth tech. Her research into the lost science caused deaths before, and she failed to prevent them during that fateful dive. Now, she vows to find a way to destroy the technology once and for all. Chosen as one of the best novellas of 2011 by the readers of Asimov's SF Magazine, Stealth tells Squishy's story and adds a rich dimension to the quest for stealth tech. The Stealth novella also appears in a slightly different form in its entirety in the novel Boneyards. Stealth is an exciting SF tale set in a rich, well-constructed world, and for that it deserves to be read by any SF fan. -Tangent Online What new can I say about Kristine Kathryn Rusch? She's one of the best in the business and [Stealth] is another example of why I think so. -SFRevu.
