Brand New Book ***** Print on Demand *****.Summary of Missoula by Jon Krakauer - Includes Analysis Preview: Missoula by Jon Krakauer is a close examination of the cause and effect of a series of alleged sexual assaults in a Montana college town. Missoula is the second largest city in Montana, and the Missoula-based University of Montana (UM) Grizzlies football team is a source of significant local pride. In December 2010, a scandal began in which four members of the football team were accused of gang rape, but were not charged with a crime. A year later, an investigation by a former Missouri Supreme Court justice found that unreported and unprosecuted rapes were a significant issue at UM. In 2012, a Department of Justice investigation found a similar problem. The scandal evolved with media coverage although Missoula s rape statistics were not unusual for a college town. It was the mishandling of the rape cases in an apparent effort to protect the football team, the football program, and the reputation.
