Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Dying Amber is a collection of insightful and brilliant Short Stories. To those who care to read, Dying Amber offers this snippet: He wept at once, in his wife's arms when the doctor broke the news that his cancer had spread and he had days to live. When the pain of hearing the news had spent itself he went away to the balcony alone. He would want no-one to bother him. There he stood facing West. He could see the setting sun and the drying baobab trees on the horizon. To him the setting sun and the dying baobab trees had some symbolism to his own failing health—he knew his life was fading away.
