Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Kopubco, United States, 2008. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In AN AGORIST PRIMER, Samuel Edward Konkin III -- the creator and premier activist and theoretician of Agorism -- introduces the most powerful means to free yourself, protect and increase your wealth, and liberate the whole of human society in the process! Agorism is applied Counter-Economics -- the philosophy of engaging in free-market activities in defiance of government control. An evolution of libertarianism, Agorism embraces all non-coercive human action and opposes all force- or fraud-based attempts to stifle innovation, trade, thought, and wealth. If you have ever suspected that government, academia, and other entities are trying to pull the wool over your eyes in order to control your money, your morality, and your life, you ll find answers and remedies in AN AGORIST PRIMER. In one concise volume, Samuel Edward Konkin III explains the theory, principles, and -- most important of all -- the practice of Agorism. If you think that consistency between means and ends matters, this is the book for you! From the preface: Agorism is a way of thinking about the world around you, a method of understanding why things work the way they do, how they do, and how they can be dealt with - how you can deal with them. Agorism was meant to improve the lot of everyone, not a chosen elite or unwashed underclass. Hence an introductory work that presents ideas without going through the long intellectual history and conflict of competing ideas that produced them. As the creator of agorism, it is most incumbent on me first to attempt to reduce it to basic intelligibility. Samuel Edward Konkin III is the author of the seminal work on libertarianism and Agorism, New Libertarian Manifesto. Over the...
