The oceanographic and coastal features of the British Isles provide a wealth of ideal habitats for breeding seabirds . and it is no surprise that the British and Irish seabird populations are of international importance . both in sheer numbers and in species diversity . Indeed, for some species , British waters are host to the greater part of the world's population . Information on these seabird populations, their numbers and distribution, and their changing fortunes in Britain and Ireland . The Operation Seafarer survey, carried out in 1969 - 1970 , provided a baseline for future work that led to the establishment of the Seabird Colony Register by the Seabird Group, and the...
