WALKING IN TWO WORLDS (PAPERBACK)

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Author and internationally acclaimed psychic medium Margaret Hurdman was bestowed the gift of Mediumship in her early thirties after open heart surgery, during which time she died several times. The operation changed her life, not only physically, but also by opening her contact with the Spirit World. Since that time, she has brought comfort and hope to many who have lost their loved ones and helped those troubled spirits finally to find peace and comfort in their own world. By doing so she proves beyond doubt that there is life after death and that love endures beyond the grave. Margaret tells of many contacts, which she has experienced, from meeting a young World War One pilot who was killed in landing his plane in Ireland, to a party of a dozen Vikings who broke the door of her bedroom and marched out of the window on their way to the Spirit encampment. Not only does she record every details of their dress but remembers how much they smelt! Her services are eagerly sought and she travels internationally to demonstrate her gifts and bring people into contact with the Spirit World. Her own very personal story is full of compassion and yet is simply told., but also by opening her contact with the Spirit World.
