## A YOUNG PEOPLE S HISTORY OF THE UNITED STATES

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. A Young People s History of the United States brings to US history the viewpoints of workers, slaves, immigrants, women, Native Americans, and others whose stories, and their impact, are rarely included in stories for young people. A Young People s History of the United States is also a companion volume to The People Speak, the film adapted from A People s History of the United States and Voices of a People s History of the United States. Beginning with a look at Christopher Columbus s arrival through the eyes of the Arawak Indians, then leading the reader through the struggles for workers rights, women s rights, and civil rights during the 19th and 20th centuries, and ending with the current protests against continued American imperialism, Zinn in the volumes of A Young People s History of the United States presents a radical new way of understanding America s history. In so doing, he reminds listeners that America s true greatness is shaped by our dissident voices, not our military generals.
