By Ann Narcisian Videan

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Ann Narcisian Videan (illustrator). Language: English . Brand New Book ***** Print on Demand *****.This coloring and creative writing book allows you to craft your very own Faerie s Tale about each portal you color. It is part of the whimsy initiated by Cherie Scott when she read Ann Videan s Song of the Ocarina fantasy novel. That first book in the Delfaerune Rhapsody series-which tells the story of New Zealand Fae who use music and Earth energy to create magic-inspired Cherie to craft a tiny faerie portal for Ann s birthday. As a thank you note, the author wrote an original Faerie s Tale back to her friend. After some hugs, a few tears, and a brainstorming session, the two Faerie Environmentalists originated Absolutely Wild! Enchanted Faerie Portals Other Whimsy. The friends now joyfully handcraft coloring books, and custom faerie portals and Faeries Tales based on information you provide. Absolutely Wild! supports emerging young writers. Ann and Cherie believe creative writing, encouraged from a young age, helps develop creative communication skills. Have fun practicing!.
