Angie Marino-Smith is the founder and writer of the online blog Puritytalks.blogspot.com, where women of all ages can come to talk about the hot topics that they deal with in today's world. In the past Angie has spent her time volunteering as the Drama Director of her church. She was the Creative Director of the former ministry GodLight International where she wrote, directed and acted in productions and she traveled to Quito, Ecuador, local colleges and conferences to teach young women about the importance of purity, self image and God's purpose. She has over 20 years experience in the acting/directing/writing world and she uses her experiences in her style of writing today. If you look closely you might even see her in the hit blockbuster movie Spiderman 3. (If you blink you might miss her). Angie currently mentors and speaks to young women about self image, dating and sex hoping that they will see their worth in God's eyes. Angie lives in Ohio with her husband David and their 2 daughters where they enjoy hiking, playing games and laughing with friends.
