Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Anabelle stared in amazement. Was it possible that her favorite stuffed pony could actually come alive with special messages just for her? Little Rock was extraordinary indeed and he knew exactly how to help Anabelle with her mixed-up feelings from missing someone that she loved. Through the colorful world of imagination, My Forever Friendship Pony takes children on a magical journey of self discovery. When children lose someone they love whether it be through distance or death, they are often overwhelmed with confusing feelings. Anger and sadness are all part of the grieving process. This book supports children through their healing as they find comfort in knowing that they are forever connected to those they love and can look within themselves to find their strength.
