Modern Poetry In Translation, United Kingdom, 2011. Paperback. Condition: New. Language: N/A. Brand New Book. The second poetry pamphlet in the MPT Poets Series featuring an extended collection of poems from a poet discovered in MPT Magazine. This 40 page poetry pamphlet contains a mostly new collection of Kristiina Ehin s poems, with the English title The Final Going of Snow . The poems have been translated into English by Ilmar Lehtpere. The pamphlet will contain mostly new poems from Kristiina s fifth collection of poetry, which is also due to be published in Estonian. There is an introduction by Ilmar Lehtpere. The poems subject matter is deeply personal, yet nevertheless universal, expressed in timeless and often startling imagery. The poet s womanhood and her roots are clearly reflected and indeed celebrated within the context of her holistic view of life. The poems deal with love in the broadest sense of the word in all its manifestations and complexity, and the joys but also pain that inevitably arise - the most fundamental concerns, experiences we all share but very few of us are able to put into words.
