## Nothing (Hardback)

By Annie Barrows

HarperCollins Publishers Inc, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. From the acclaimed #1 New York Times bestselling coauthor of The Guernsey Literary and Potato Peel Pie Society and the author of the award-winning and bestselling Ivy + Bean books! This teen debut tells the story of Charlotte and Frankie, two high school students and best friends who don't have magical powers, fight aliens, crash their cars, get pierced, or discover they are royal. They just go to school. And live at home. With their parents. A great read for fans of Becky Albertalli, Louise Rennison, and Adi Alsaid. Nothing ever happens to Charlotte and Frankie. They just go to high school and live at home with their parents, who are pretty normal, all things considered. But when Charlotte decides to write down everything that happens during their sophomore year-to prove that nothing happens and there is no plot or character development in real life-she's surprised to find...

### Reviews

*It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*I actually started off looking over this publication. I have read through and so I am certain that I am going to likely study again yet again later on. I am easily going to get a delight of reading a written pdf.*
