Reviews

The book is not difficult to read through better to recognize. It really is written in straightforward terms instead of confusing. I am happy to inform you that this is actually the finest publication I actually have read in my individual daily life and may be the best book for possibly.

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Survival! provides readers with a set of tools to help students (and prospective students) of first-year college composition get through the semester. This is not a grammar or punctuation book, but a collection of strategies on how to approach the college experience and what to expect when entering the often-dreaded English101. The author, a 20-year veteran of teaching freshman composition, takes a light-hearted look at the problems new students often encounter, and offers a few tips on how to avoid the common pitfalls.
