Tales for Fifteen (Annotated)

By James Fenimore Cooper

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. Annotated. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.When the author of these little tales commenced them, it was her intention to form a short series of such stories as, it was hoped, might not be entirely without moral advantage; but unforeseen circumstances have prevented their completion, and, unwilling to delay the publication any longer, she commits them to the world in their present unfinished state, without any flattering anticipations of their reception. They are intended for the perusal of young women, at that tender age when the feelings of their nature begin to act on them most insidiously, and when their minds are least prepared by reason and experience to contend with their passions.
