

The Time Machine Dover Thrift Editions

By H. G. Wells

Dover Publications. Paperback. Book Condition: New. Paperback. 80 pages. Dimensions: 8.2in. x 5.1in. x 0.2in. English novelist, historian and science writer Herbert George Wells (1866-1946) abandoned teaching and launched his literary career with a series of highly successful science-fiction novels. The Time Machine was the first of a number of these imaginative literary inventions. First published in 1895, the novel follows the adventures of a hypothetical Time Traveller who journeys into the future to find that humanity has evolved into two races: the peaceful Eloi--vegetarians who tire easily--and the carnivorous, predatory Morlocks. After narrowly escaping from the Morlocks, the Time Traveller undertakes another journey even further into the future where he finds the earth growing bitterly cold as the heat and energy of the sun wane. Horrified, he returns to the present, but soon departs again on his final journey. While the novel is underpinned with both Darwinian and Marxist theory and offers fascinating food for thought about the world of the future, it also succeeds as an exciting blend of adventure and pseudo-scientific romance. Sure to delight lovers of the fantastic and bizarre, The Time Machine is a book that belongs on the shelf of every science-fiction fan. This item...

Reviews

This publication will never be effortless to begin on studying but extremely entertaining to learn. It is probably the most incredible publication i have go through. I realized this ebook from my i and dad suggested this publication to learn.

-- **Austin O'Connell**

Thorough guide for pdf enthusiasts. Better then never, though i am quite late in start reading this one. Its been printed in an remarkably simple way which is only soon after i finished reading through this pdf by which really altered me, change the way i believe.
