

50 Years of Recuperation of the Situationist International (Paperback)

By McKenzie Wark

PRINCETON ARCHITECTURAL PRESS, United States, 2012. Paperback. Condition: New. Reprint. Language: English . Brand New Book. From Wikipedia: The Situationist International was a small group of international political and artistic agitators with roots in Marxism and Leninism. They played a central role in the theory underlying the 1968 European uprisings. They managed to use public money to publish Mustapha Khayati's pamphlet *On the Poverty of Student Life* and distributed thousands of copies, making the Situationists well known throughout the non-Stalinist left. They were among the occupiers of the Sorbonne and defended barricades in the riots. A pointed, original and engaged investigation of what remains vital in the endlessly provocative legacy of the Situationist International (SI) 1957-1972, one of the most important and political avant-garde groups to emerge after World War II; and how this might open the way to new practices in today's digital culture. Reassesses some of the lesser-known figures and projects that emerged from the Situationist movement, including the contributions of two women, Michele Bernstein whose strategic novel, *Tous les Chevaux du Roi* (*All the King's Men*) about her relationship with Guy Debord has recently been reissued in France, and Jacqueline...
