Rowman & Littlefield Publishers. Paperback. Book Condition: New. Paperback. 384 pages. Dimensions: 8.9in. x 5.8in. x 0.8in. This philosophical-political profile offers the first of its kind intellectual reconstruction of Habermas's defining existential and historical situations, his generational profile and interventions, his impact on as well as the discontents that his life work generates in others. The first part of the study emphasizes the unfolding, linear view of Habermas's postwar history, punctuated by the major existential and political situations of his young adult life from 1945 to 2000. The second part returns to the same time-span in order to reconstruct Habermas's mature post-Wall intellectual profile in contrast to the profiles of the preceding generation of 1945 and the later protesting generation of 1968. The third part examines the tremendous Habermas-effect exercised on 20th-century thought and public policy. The concluding chapters discuss critically the lasting place as well as the limits of Habermas's achievement in contribution to a development...
