Thrive!. Paperback. Book Condition: New. Paperback. 190 pages. Dimensions: 9.2in. x 7.5in. x 0.6in. At thirty, Shahana found the little girl she once was brimming with love, creativity and a desire to touch the world in meaningful and purposeful ways nearly obliterated. She describes how she found her center of gravity, her Higher Power; how becoming conscious to the present completely transformed her past and future; how compassion opened the doors to authentic power; how she recognized her choice in everything that had happened and everything yet to be; and how her separate physical existence dissolved to connect her with everything and everybody around. And she reveals how, through all these insights, she unlocked the mysterious powers of her creativity: the ability to create her own life at every turn! Thrive! is about all these things yet most of all, it is about love: that pure, essential, divine, generative life-force. Shahana shares how her commitment to unconditional love opened her to love for the divine, for other beings, for...
