These wonderful geological wonders of beauty within the earth s crust are one of the greatest parables of our age, revealing Heaven s qualities on earth, such as optimal wellness, and divine healing. The Gems of Revelation Wellness Blueprint is a remarkable journey through the Scriptures showing the great variety of gems tucked away, and recounting real gem-stories that uncover the rich symbolism of God s endless relationship with his people. As it portrays the eternal qualities and pricelessness of gems, we see that we are mirrored as God s own gemstones. His great lapidary process in our lives excavates us from dirty rocks to spectacular, stunning gemstones, encasing Christ within. What might the Lord be speaking to us through the gemstones? The stones seem to cry out to us the wisdom and revelation of God s creative and energetic presence. Gems mystify us with their beauty, durability and spectrum rays, and are even recognized as having healing properties. In the spiritual realm, gems symbolize healing and the preciousness of God s people throughout the ages, as expressed In Zechariah 9:16 The Lord their God will save his people on that day as a shepherd saves his flock. They will sparkle in his land like jewels in a crown. Still today, the Lord is lavishing His glory with precious ornamentation such as gemstones and gold. Many gem-stories enlighten and encourage us with God s promises of well-being. While some of these stories are presented anonymously, they mirror God s heart, with each portraying another dimension of His astonishing goodness. The practical application of these gemstone scriptures, supported by biblical insight, helps us thrive in overall wellness. May we be inspired by these gem-stories...
