By Alex Ness, Josh Brown

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Catastrophic Discoveries is not a book about great moments in science or exploration. It is a series of short stories and verse describing what happens when humanity discovers the children of Cthulhu living upon the Earth, and the curse of their existence here. Horror comes in many places, but when you are alone and find out humans are not alone upon this world, the only word that fits is catastrophe.
