## Shards and Dust: New Selected Cherita

By Larry Kimmel

Bottle Rockets Press, United States, 2014. Paperback. Book Condition: New. 198 x 102 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. shards and dust, a collection of new selected cherita by Larry Kimmel, demonstrates this talented east/west fusionist s flair for a unified literature. The Cherita is a six-line poetic form deriving from the haiku and its related linked forms. Using only 35 of these brief, six-line poems, the poet has created a persona moving through a sort of nano-odyssey of the inner-mind, showing a wide range of emotion and experience -- from homestead memoirs to foreign and domestic travel -- arriving at a spiritual/artistic conclusion. Not necessarily in a strict time-oriented sequence, like memory itself, this fragmented stream of consciousness is one man s meditation on the human condition, done in a concise imagistic and heightened poetic voice.

### Reviews

*A must buy book if you need to adding benefit. it absolutely was writtern very properly and valuable. I found out this book from my i and dad advised this ebook to find out.*

-- **Amanda Larkin**

*Absolutely essential go through pdf. It is writer in simple terms and never difficult to understand. I am just very happy to let you know that this is actually the greatest pdf we have go through in my individual life and might be he greatest pdf for actually.*

-- **Pete Bosco**
