FLUENT VISUAL BASIC [TASCHENBUCH] BY RIORDAN, REBECCA M.

Sams Publishing, 2011. Taschenbuch. Condition: Neu. Gebraucht - Wie neu Unbenutzt. Schnelle Lieferung, Kartonverpackung. Abzugsfähige Rechnung. Bei Mehrfachbestellung werden die Versandkosten anteilig erstattet. - Based on the principles of cognitive science and instructional design, Fluent Visual Basic, part of the Fluent Learning series, is a true tutorial that will help you build effective working models for understanding a large and complex subject: developing .NET Framework applications in Visual Basic. Most introductory books just talk at you and give you 'exercises' that have more to do with taking dictation than actually learning. Fluent Visual Basic is different. It guides you through learning the way your mind likes to learn: by solving puzzles, making connections, and building genuine understanding instead of just memorizing random facts. 880 pp. Deutsch.
