

Mastering Lifes Energies: Simple Steps to a Luminous Life at Work and Play

By Maria Nemeth

New World Library. Paperback. Condition: New. 240 pages. Dimensions: 8.3in. x 5.4in. x 0.8in. Everyone has had luminous moments in their lives. Its the a-ha moment when one experiences the beauty and grace of life, whether it be when looking into the eyes of a newborn child or watching the sun set over the ocean. But those moments are usually too brief. Too often, people walk around in a fog, feeling vaguely frustrated, resigned, and cynical and asking all the wrong questions about how to make life better. They miss the purpose for being alive: to wake up and become oneself, to allow others to contribute to them and to, in turn, contribute their gifts to the world. This book gives readers specific methods for allowing luminosity into their lives on a consistent basis, allowing them to view the world with much younger, more vibrant eyes. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
