

## Curiosities of Natural History, in Four Volumes: Fourth Series (Hardback)

Filesize: 6.52 MB

### ***Reviews***

*This book is definitely not easy to get going on reading through but extremely exciting to see. I am quite late in start reading this one, but better then never. I am pleased to explain how here is the finest book i actually have read inside my individual daily life and may be he best book for ever.*

*(Mrs. Ellie Yost II)*

COSIMO CLASSICS, 2013. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. A pioneer in the strange art and ambiguous science of zoophagy-that is, of studying animals by eating them-British natural historian FRANCIS TREVELYAN BUCKLAND (1826-1880) was a wildly popular speaker and writer of the Victorian era. In his classic four-volume *Curiosities of Natural History*, published between 1857 and 1872, he shared his love of creatures exotic and mysterious with readers who devoured his charming and erudite essays much in the same way he devoured his animal subjects. If there is one person that I would have expected to have captured a sea serpent in the 19th century for the sole purpose of eating it, it would be Frank Buckland, writes cryptozoologist Loren Coleman in his new introduction to Buckland's series. One of the founding grandfathers of cryptozoology, the discipline that investigates animal mysteries, Buckland was not a wild-eyed true believer in anything strange, insists Coleman, but brought, instead, a skeptical, open-minded approach to his work. Indeed, here, in the fourth series of *Curiosities of Natural History*, Buckland's erudition is clear in his animated discussions of, among many other things, measuring a French giant, the woolly woman of Hayti, performing fleas, six thousand parakeets, the intemperance of salmon, and fossil pork. This new edition, a replica of the 1888 Popular Edition, is part of Cosimo's Loren Coleman Presents series. LOREN COLEMAN is author of numerous books of cryptozoology, including *Bigfoot!: The True Story of Apes in America* and *Mothman and Other Curious Encounters*.
