

What Should I Put on My Feet to Go Run? (Paperback)

By John Mcclung

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Laura Hollingsworth (illustrator). Language: English . Brand New Book ***** Print on Demand *****. Children s literature s answer to Born to Run The first and only children s book about barefoot running, What Should I Put on My Feet to Go Run? teaches children about the inherent silliness of our culture s obsession with shoes through an entertaining tale that kids will love. The book tells the story of a little bear cub who is eager to go run around outside but unfortunately has some very human preconceptions about what he needs to wear on his feet. He peppers his bemused mother with a series of increasingly silly questions as she patiently reminds him that a bear s foot should be barefoot. Written in charming verse and vibrantly illustrated, What Should I Put on My Feet to Go Run? will enchant readers of all ages. Whether you re a fan of FiveFingers or just of bears and their toes, a minimalist marathon runner or a child who loves to play outside, the book will remind you of the simple childhood joys of bare feet, soft grass, and warm summer...

Reviews

The ideal pdf i at any time read. I am quite late in start reading this one, but better then never. You will like the way the author create this book.

-- **Eliane Bednar**

A high quality ebook as well as the typeface employed was exciting to read. It is actually loaded with wisdom and knowledge You wont sense monotony at at any moment of the time (that's what catalogues are for concerning when you request me).
