Toddlers on Technology: A Parents Guide

By Heather Leathers

AUTHORHOUSE, United States, 2013. Paperback. Book Condition: New. 230 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.TODDLERS ON TECHNOLOGY Does your toddler seem to know more about the iPad than you do? Welcome to the world of the Digitods: the young children born into the era of mobile technology. These kids are learning faster and better than any generation that has come before them. And they are loving it! Take a look at toddlers using an iPad. They are pictures of concentration. Their hands are moving and their eyes are constantly scanning the screen. They are in an active state of learning: their neurons are firing on all cylinders! It is not surprising that they find learning such an enjoyable activity, with the bright colors, interesting activities and cheery voices urging them on. Have you ever tried getting a Digitod s attention when he is working with an iPad? It is not easy. Often, the child is so fixated on the work that he protests when he has to move on, even to something as interesting as a snack. It just underscores what teachers have always known. Good learning is addictive: the more you...
