Voice Tells No Lies: Use the Voice to Mitigate Self-Sabotage. Target Core Issues and Root Causes of Negative Emotions Before They Manifest Physical Conditions or Symptoms. (Paperback)

By Tracy Wightman Ccn

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.1. Dual Purpose: A. Quantum Field directed approach to eliminated Mycoplasma energy signals. B. To provide a non-drug and non-invasive approach to emotional issues with significant and sustainable results with the intent to prevent emotional roots from manifesting into physical conditions. 2. Problem: The term unhappiness is used generally to express a perspective about issues that one is not successfully resolving on their own and is seeking help. I have cited studies specifically about Americans because their numbers of unhappiness seem to be climbing as well as their dissatisfaction with conventional methods used to resolve issues of unhappiness. There are not enough successful treatments or approaches with satisfactory outcomes which last. 3. Candidate Selection: Our intake forms attempt to assess who would be the most likely candidate to benefit from this new non-invasive approach to changing emotional identity. So far, we have not found a disqualifier and are still tracking which traits more closely correlate with a more successful result. Candidates that are religious, non-religious, spiritual or with the belief of no belief may participate. The practitioner does not have to communicate...
