Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. My take on life is this: stand up for yourself, be courageous and loyal to those you love, and never pass up a chance to consume good human food. I want the world to know that I AM DACHSHUND-the guardian, the sentinel, the keeper of everything my family holds dear! My all-out favorite human by far is my Papa Duke, and wow, can he tell some stories! The Alligator Story and the Haystack Story from his Army days are new tales I heard him tell our family. How he s managed to live through such exciting experiences is amazing-in fact, I think somebody ought to make a movie about him! I got to visit Sellars and Renata on their farm in Georgia with Grandma and Papa. Boy, did I have a couple of close calls. For example, my meet-up with mama pig Tenderloin made me scoot out of her pen FAST! Along with that, their farm dog Bubba took his job way too seriously, wasting a lot of time herding their four dinky cows around the field instead of playing with me. How rude! I ve also learned more about cats (like, who would want to know more about them, right?) when I stayed with Uncle Kurt, Aunt Bethany, and their conniving Tate and Joey for a week. That turned out to be my feline boot camp, so I m letting the cat out of the bag (no pun intended) by revealing how cats REALLY act when humans aren t around! Another heartwarming tale of family, joy, good food, and unconditional love, Sarge s story will bring warmth and smiles to readers of all ages.
