

## Silkworms (Paperback)

By S.A. Johnson, Isao Kishida

Lerner Publishing Group, United States, 1992. Paperback. Condition: New. Isao Kishida (illustrator). Language: English . Brand New Book. Silkworms are not actually worms at all. They are the caterpillars of a large white moth. Many moth caterpillars produce silk thread inside their bodies, but the thread of the silkworm is so fine and strong that human beings use it to make a beautiful fabric. In countries like Japan, people raise millions of silkworms on farms and take their thread to be processed into silk cloth. Readers of this book will find out how silk farmers process silk and what role this amazing thread plays in the life cycle of the silkworm moth.

### Reviews

*Completely among the finest book I have actually read through. It is probably the most remarkable book we have study. I discovered this book from my dad and i suggested this book to learn.*

-- **Georgiana Pacocha**

*Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
