AUTHORHOUSE, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is like a life-transforming manual! It would be hard to find a more exciting, inspirational and easy-reading book, so loaded with life-changing experiences, essential advice and appropriate responses to life's adversities and distractions. This volume is a compendium of sound, practical, discerning and thought-provoking advice. It is a story of LIFE-its inherent struggles, vicissitudes, pain, highpoints, joy, sadness, discouragement and bitterness. It is a unique roadmap which can be very useful to thousands of students, starting at the high school level. It makes for easy reading and will be enjoyed by a wide range of readers. This book is an encouragement to people born in the humblest of circumstances; it gives them hope. It is, at times, a painful testimony, but one from which people from all walks of life can learn. Dr. Ferguson has obviously spent a great deal of time thinking about and analyzing his experiences. I congratulate him for his honesty and willingness to share them. This book, in some respects, is a challenge: we are encouraged not to settle for the easy and comfortable, but to identify and accept our true life assignments, which may be more difficult to achieve, but will bring lasting satisfaction.
