

Implementing World Class It Strategy: How It Can Drive Organizational Innovation (Hardback)

By Peter A. High

John Wiley Sons Inc, United States, 2014. Hardback. Condition: New. 1. Auflage. Language: English . Brand New Book. The actionable guide for driving organizational innovation through better IT strategy With rare insight, expert technology strategist Peter High emphasizes the acute need for IT strategy to be developed not in a vacuum, but in concert with the broader organizational strategy. This approach focuses the development of technology tools and strategies in a way that is comprehensive in nature and designed with the concept of value in mind. The role of CIO is no longer just to manage IT strategy instead, the successful executive will be firmly in tune with corporate strategy and a driver of a technology strategy that is woven into overall business objectives at the enterprise and business unit levels. High makes use of case examples from leading companies to illustrate the various ways that IT infrastructure strategy can be developed, not just to fall in line with business strategy, but to actually drive that strategy in a meaningful way. His ideas are designed to provide real, actionable steps for CIOs that both increase the executive s value to the organization and unite business and IT in a manner...
