

Keyboard Teaching with Greater Success (5th Edition) (Paperback)

By Wesley Schaum

Schaum Publications, 1998. Paperback. Condition: New. 5th Revised ed.. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. (Educational Piano). The art of teaching is a process of continuing development involving years of study, experience, and hard work. The dedicated teacher never stops searching for ways of self-improvement. This book is for those who want to refine their teaching skills and gain new ideas. The topics range from ethics, philosophy, and psychology to advertising, record keeping, and collecting money. The explanations contain sufficient detail so that even a beginning teacher can benefit. It is hoped that experienced teachers will view the obvious as a refresher and concentrate on those portions of the text that complement their level of expertise. We sincerely hope that this book will enhance and give a new perspective to your teaching!.

Reviews

This is basically the very best publication i actually have go through until now. It really is loaded with knowledge and wisdom I realized this publication from my i and dad encouraged this publication to discover.

-- **Bryana Klocko III**

Unquestionably, this is actually the greatest function by any writer. We have go through and so i am confident that i am going to gonna read through once more once again later on. I am just happy to explain how this is actually the very best book i have got go through during my individual existence and might be he greatest ebook for ever.
