Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from How to Lengthen Our Ears: An Enquiry Whether Learning From Books Does Not Lengthen the Ears Rather Than the Understanding It must not be thought that this book is an attack on my own class. Very much the reverse. The kind of brain that Wins scholarships bears more resemblance to a tiller of the soil of persis tent industry and energy, who has taken up books, than it does to the carelessness of mind found among the gentry. My Opinion is that the upper classes are, as human beings, very superior to trade unionists, but they have paid far too much attention to men of learning, and mark-makers. Hence they have not yet shaken off an inherited tradition that books are better for the mind than handicraft. Why should not gentlemen of small means remedy this, and educate their children, from their earliest years, not in books, but by practical work in mechanical appliances, in mechanical forces, and in the properties of certain very ordinary chemical compounds? It is generally considered that, the higher the price paid for the work, the more valuable the work is, and there is nothing ungentlemanly in doing valuable work. In which case, it will be our own fault if the less af?uent of us cannot become well-paid mechanics and superior foremen, while trade unionists will become schoolmasters and bachelors of science and prattle of the uni versal advantages of books and learning, while receiving a considerably smaller wage than those who do without these advantages. The trade unionist class are now forced to be in a council school, doing lessons, from 5 years of age to 14, and the age looks like being raised considerably....
