Createspace. Paperback. Condition: New. This item is printed on demand. 504 pages. Dimensions: 8.4in. x 5.8in. x 0.7in. Let Me Go When the Banter Stops tells the true love story of Seattle physician, Dr. Linda Gromko, who finds herself in a midlife romance, only to discover that her future holds joyful new beginnings, but also the pain and heartache of letting go. Dovetailing with her earlier memoir, *Complications: A Doctors Love Story*, Dr. Gromkos new book revisits the early days and challenges of her burgeoning relationship with her future husband, Steve Williams, a self-made business executive and consummate networker living comfortably with his feisty nine-year-old daughter, Brita. As *Complications* chronicled, their obstacles included a whirlwind of family dynamics, the relative remoteness of Bainbridge Island to Seattle, and, most significantly, Steves failing health due to adult onset diabetes, high blood pressure, and the attendant reality of end stage kidney failure. The ensuing story painful at times, but always heartfelt and grounded in humor takes unimaginable turns of good fortune, beleaguered frustration, and resilient perseverance, revealing the contemporary medical profession at its best and worst. Written from both a doctors professional perspective and a caregivers personal point of view, *Let Me Go When the Banter Stops* presents a firsthand testament to overcoming adversity and meeting new challenges. In the tumultuous course of Steves medical issues and the familys personal trials, they face kidney dialysis and organ transplant, cardiac complications and setbacks, and surgery after surgery. As the story unfolds, Steves treatment ultimately takes Linda back to the same university medical center where she trained as a nurse and as a physician, teaching her more than she ever thought she would need to know about kidney disease and its management. She also gains insight into the different types of health care providers - providing her a...
