Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Philosophic Thought Religion From the beginning human beings have striven to solve the riddle of the Universe. The Egyptians, the Assyrians, the Babylonians, no less than the Greeks and other cultivated races of ancient times, attempted a solution. Modern philosophy may be traced as far back as Socrates, Plato, and Aristotle, whose thoughts have profoundly influenced the thoughts of the philosophers of every succeeding age. Some still wonder how this marvellous universe ever came into existence. Others wonder what is behind it all; they seek to discover the reality that is behind mere appearances or phenomena. Others are led to marvel how it is that we get to know things at all. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
