Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

SCHOLASTIC READER LEVEL 2: HIBERNATION

Scholastic US, United States, 2012. Paperback. Book Condition: New. Original. 224 x 147 mm. Language: English . Brand New Book. Learn all about animals and what they do during the winter! During the cold winter months, some animals go into a deep sleep called hibernation. You d be surprised to learn about all of the other animals that hibernate besides bears, like squirrels, woodchucks, chipmunks and bats. Children will learn how an animal prepares for hibernation by stuffing itself with food so that it can survive in its dormant months and how animals prepare safe spots, like dens and burrows, so that they will be protected from predators as they sleep.
