FINALLY THE BRIDE: FINDING HOPE WHILE WAITING

Createspace, United States, 2012. Paperback. Book Condition: New. 226 x 154 mm. Language: English . Brand New Book ***** Print on Demand *****.Why Would God Care About My Love Life? From the woman behind the screenplay and novel, Never the Bride, comes a roller coaster of a love story with God. Cheryl McKay pulls no punches about what it's really like to be single, with your age creeping up, and no end in sight to the wait for love and marriage. It seems that many years ago, God asked Cheryl to surrender the pen she was using to write her love story. All He wanted was carte blanche. No problem, right? Cheryl tentatively conceded-that is, until it became apparent that the Almighty had no intention of conforming to her writing schedule, much less the tick of her biological clock. In fact, He blew every deadline she ever attempted to set. As romance seemed to pass Cheryl by, she couldn't help but question: Could God really be trusted to bring her the love of her life? Written during a long wait, this book opens up Cheryl's painfully honest, personal journals. She explores what it's like to enlist in God's Marriage Boot Camp, and how to survive singlehood year after solitary year. She wrestles with her Creator over multiple best friends that never see her that way. Then there are those lists of what she wanted-you know, the ones she revised a billion times then laminated for safekeeping. She watches, bewildered, as much younger women find love that seems to elude her. Through it all, she falls head over heels for a God who proves Himself to be as resistant to her controls as He is faithful beyond her wildest dreams. Are you still waiting? Have you...
