

The Greek Philosophers: Volume 1 (Paperback)

Filesize: 6.22 MB

Reviews

This published book is wonderful. It is really simplified but unexpected situations within the fifty percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Dr. Janis Reilly)

THE GREEK PHILOSOPHERS: VOLUME 1 (PAPERBACK)

Diamond Publishers, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand ***** Ancient Greek philosophy arose in the 6th century BC and continued throughout the Hellenistic period and the period in which Ancient Greece was part of the Roman Empire. Philosophy was used to make sense out of the world in a non-religious way. It dealt with a wide variety of subjects, including political philosophy, ethics, metaphysics, ontology, logic, biology, rhetoric, and aesthetics. Many philosophers around the world agree that Greek philosophy has influenced much of Western culture since its inception. Alfred North Whitehead once noted: The safest general characterization of the European philosophical tradition is that it consists of a series of footnotes to Plato. Clear, unbroken lines of influence lead from ancient Greek and Hellenistic philosophers to Early Islamic philosophy, the European Renaissance and the Age of Enlightenment.
