The account must be kept active Sfr To keep physical energy we must expend physical energy every day. The opinion of Herbert Spencer that thought is a physical function--a vibration set up in a certain area of brain cells is an idea never preached by Plato. The brain being an organ must be used, not merely in one part for five years to the exclusion of all other parts, but all parts should be used daily. To this end the practical things of life should daily engage our attention no less than the contemplation of beauty as manifest in music, poetry, art, or dialectics The thought that every day we should look upon a beautiful picture, read a beautiful poem, or listen for a little while to beautiful music is highly scientific, for this contemplation and appreciation of harmony is a physical exercise, as well as...
