Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Ain t nothing wrong with playing human - it s the other humans that ruin the fun. After too many weeks as a New Mexico farm hand, werecat Roan desperately needs to get out of town or he ll start eating idiots instead of ignoring them. But he discovers an abused werewolf in the pen of a travelling circus, and even though he can t stand the dogs, he decides to rescue his fellow werecreature. He is unaware that Betsy, the idealistic daughter of the local Sheriff, plans to do exactly the same. Together, they manage to fuck up a perfectly good rescue operation and Roan catches a chest full of lead. Which isn t enough to kill a werecat, but now Roan is on the run to Mexico with overeager Betsy and their crippled werewolf charge in tow. They will have to overcome their prejudices and grow into a family if they are to outrun the police, angry parents, jealous fiancées and vengeful circus fey hot on their heels. *** Sunchaser is a non-romantic road-movie about a werecat drifter, a wide-eyed human girl and a defective werewolf learning that sometimes, family really is the ones you didn t pick.
