By Dr Reece B Sherman

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.VerseryRhymes is a unique and refreshing translational paraphrase of the New Testament verse by verse. Each verse was researched and translated into understandable rhyme utilizing heavily the original Greek text as well as several English translations in its making. VerseryRhymes began from the teachings of a Bible study on the Gospel of John when after completion of each chapter of study the author summarized the material by creating a rhyming text. The participants of the study so benefited from the easily understood translation that they encouraged publication of the text. The author has a love for research and rhyming and leans upon graduate degrees in theology, with an emphasis in biblical languages and law, to compose what aspires to be a unveiling of God s word for His people. May you be refreshed and inspired to grow closer to the ultimate author of this book.
